Please forward this information directly to all members of your service department!

Attention!

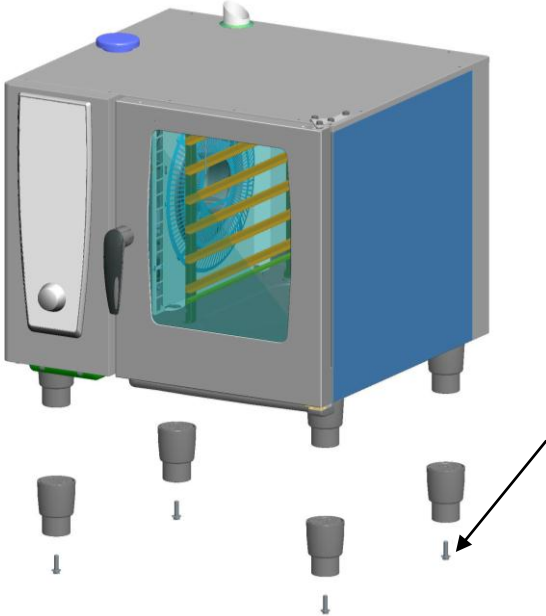

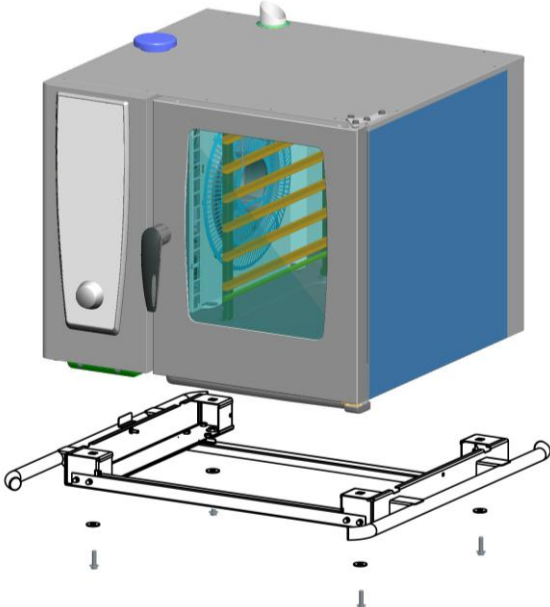

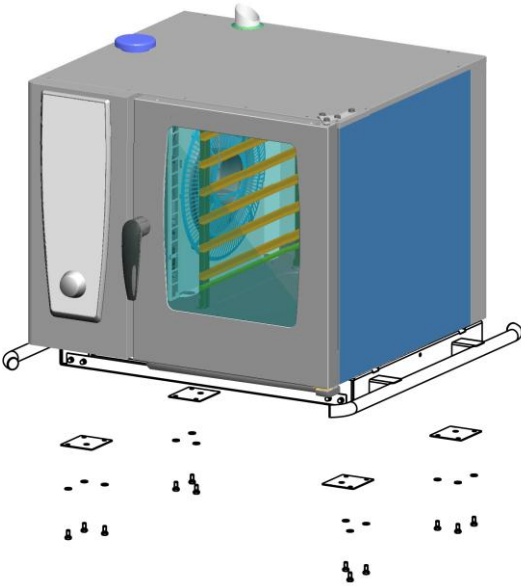

It is not allowed to install and operate a RATIONAL-UltraVent® or RATIONAL-UltraVent® Plus or extraction hood on top of a Rational unit with option Catering.

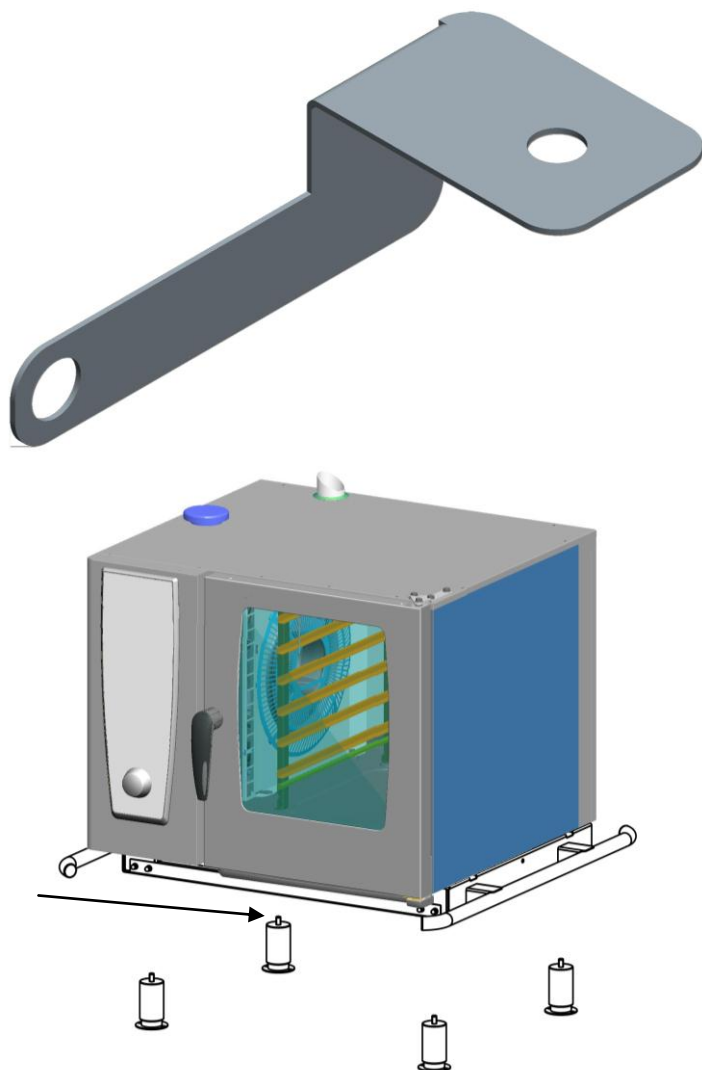

Option Catering consists of:

61, 101:
Catering Kit #60.73.111
Mobile Catering stand #60.30.890

62, 102:
Catering Kit #60.73.141
Mobile Catering stand #60.30.891

1.		Unscrew the units legs  Attention! Screws will be used later!
2.		Fix the catering kit to the understructure of the unit with screws and washers supplied.
3.		Fix the 4 footplates with the included screws.

4.

Put the included holder between the left back stainless foot and the catering kit.

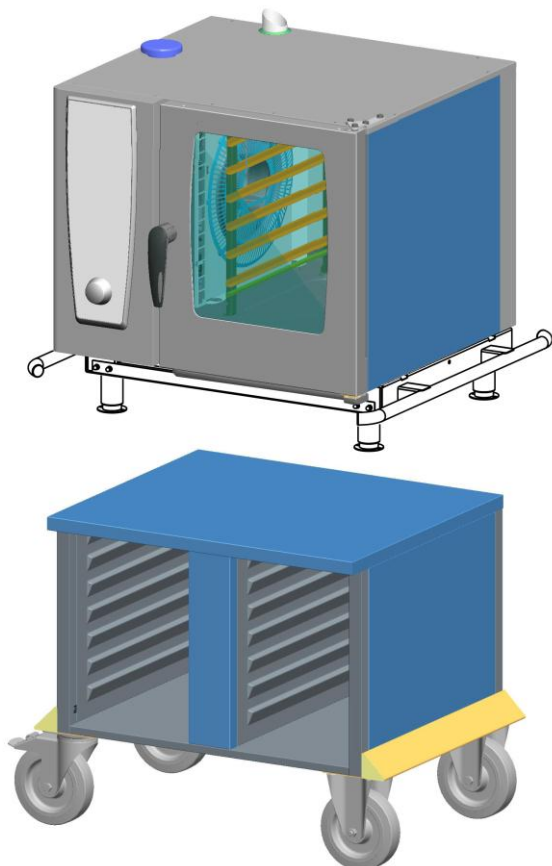

Attach all feet.

5.

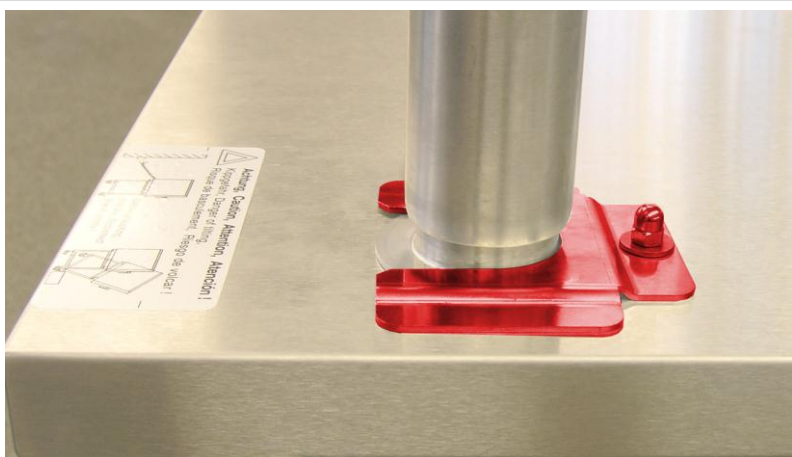

Unscrew the 4 fixturex from the stand.

6.

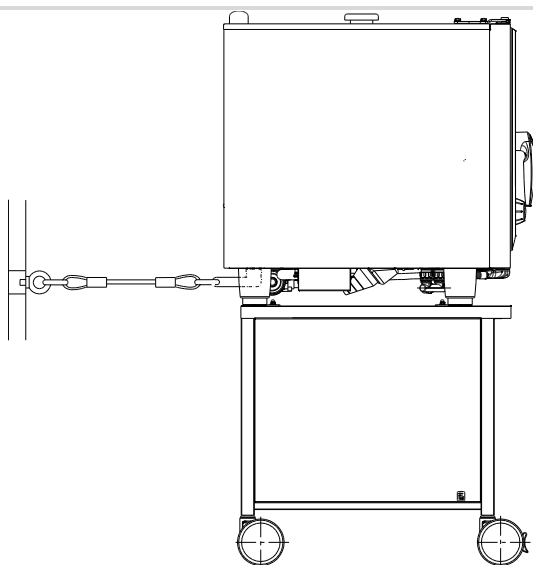

Place the unit with the catering kit on top of the stand.

7.

Fix the unit on the stand.

Attention!

The unit is mounted on a mobile stand, and must be additionally secured against slipping by a chain or cable in order to prevent damage to the electricity, water or gas supply line.
