

TI_2316: Replacing the iVario water supply hose

iVario L, L P, XL, XL P

16/06/2023

Topics

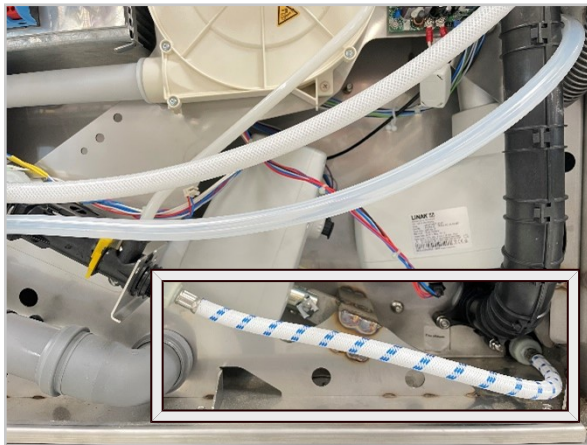

Since mid-May, new water supply hoses have been installed in all iVario units.

Affected product/accessories

iVario L
iVario L P
iVario XL
iVario XL P

Required components

The article number for the water supply hose remains unchanged: 50.02.094P

General information

The water supply hose is more flexible and therefore easier to work with.

NOTE:

No further action is required.
